## Vitreous China Vanity Basin

Basin Size: 600mm x 445mm (nominal)

A modern concept self-rimming drop-in vanity basin incorporating a functional large bowl area with smooth rounded contours for ease of cleaning and suitable for general purpose applications. The **Caravelle** basin has two soap holders. The rim is sealed to the counter top with an acetic cured silicone sealant.

**Tap Holes:** The basin is available in one taphole Code No.659310 and three taphole Code No.659330 options only.

**Waste Outlet:** The basin has been designed for the Caroma Uni-waste outlet suitable for a 40mm trap connection. Coloured plastic flush fitting Uni plug and waste supplied. For applications where a chrome plated brass waste is required there are four suitable Uni-wastes available in the following options — Flush Fitting Plug and Waste Code No.687140, Vandal Resistant Flush Fitting Plug and Waste Code No.687141, Covered Plug and Waste Code No.687142 and Vandal Resistant Covered Plug and Waste Code No.687143.

**Bowl Capacity:** 12 litres.

**Overflow:** Overflow not available.

**Fixing:** The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. **Epoxy type glues must not be used.** The basin is supplied with a template which must be used for the counter top cut-out.

**Colours:** White only.

**Dimension:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
