Elvire 400

Enamelled Steel Inset Vanity Basin

Nominal Size: 400mm diameter

Elvire 400

Tapware shown not included.

The **Elvire** inset basin has been designed to compliment the Elvire Collection. Inspired by the unique nature and wilderness of Australia, the Elvire collection evokes a harmony of design, ergonomics and aesthetics. The basin is crafted by enamelled steel which enables the thinnest of edges creating a minimalist design which will compliment any benchtop. The basin is suitable for general purpose, domestic and commercial applications.

Tap Holes: Basin available in: No tapholes Code No.CAEL0001W.

Waste Outlet: The basin has been designed for the Caroma Elvire basin pop-up waste assembly (supplied) which is suitable for a 40mm trap connection. Code No. CAEL0059W.

Bowl Capacity: 10 litres.

Overflow: Overflow not available.

Fixing: The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. **Epoxy type glues must not be used.** The basin is supplied with a template which must be used for the counter top cut-out.

Colours: White only.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
